Indulge Soft Caramels Flavor Profiles

Original: Smooth and creamy, this caramel is as pure as it can get.

Cashew: Salted cashew pieces mixed into to this creamy caramel make this a dynamic duo.

Amaretto: This sweet caramel is distinctly reminiscent of the delicious almond flavored liquor.

Sea Salt: Sweet and salty, this caramel is the best of both worlds. Chosen from the hundreds of different sea salts available, this particular sea salt enhances the flavor of the caramel while giving it the perfect salty bite.

Cayenne: Sweet heat is what this cayenne spiked caramel delivers.

Coconut: With real coconut flakes mixed in, chewing this caramel will take you straight to a tropical paradise.

Cinnamon Toast: Bringing you right back to childhood, this comforting caramel will have you reminiscing from the very first bite.

Ginger: Real ginger pieces give this caramel just the right spicy zing.

Chocolate: Just like a delicious mug of hot chocolate but only better with caramel stirred in.

Apple: Caramel apples bring back memories? Well, so will this luscious apple caramel.

Almond: Crunchy almond pieces are mixed into this caramel making this a creamy, crunchy treat.

Passion Fruit: Tropical and delicious this caramel delivers subtle hints of mango and orange.
