## **Indulge Soft Caramels** **A Handmade, Melt in Your Mouth Indulgence**

Portland, Oregon – Indulge Caramels is a company that is winning people over nationwide one caramel at a time. Made with the finest ingredients, Indulge Caramels are incredibly soft which allows the decadent buttery flavors to shine through. Every caramel is made by hand and you can taste the difference because of the care that went into making each and every one.

### ***Featured Caramels:***

**Original:** Smooth and creamy, this caramel is as pure as it can get.

**Sea Salt:** Sweet and salty, this caramel is the best of both worlds. Chosen from the hundreds of different sea salts available, this particular sea salt enhances the flavor of the caramel while giving it the perfect salty bite.

**Cayenne:** Sweet heat is what this cayenne spiked caramel delivers.

**Coconut:** With real coconut flakes mixed in, chewing this caramel will take you straight to a tropical paradise.

**Cinnamon Toast:** Bringing you right back to childhood, this comforting caramel will have you reminiscing from the very first bite.

A true labor of love, Indulge Caramels was founded by Jennifer Bell who fell in love with the craft of creating gourmet caramels when she first began making them as holiday gifts for family and friends. Soon after, the word spread that these were no ordinary caramels and people began to place orders for them. Indulge Caramels was born out of people's love for Jennifer's caramels and they continue to be made as they were at the beginning – by hand and with care.

**Indulge Caramels are available in 10 flavors plus a seasonal flavor and are available in 4oz (\$6.25) and 8oz (\$12) bags and can be purchased at**
